Akumin Events Set-Up Guide

Display two retractable banners

There should always be two banners placed on either side of the table. A tent can also be provided for larger types of events

Two types of giveaways available

Two types of giveaways should be available to distribute. There are several options to choose from. Please contact branding for details

Two types of flyers available

There should always be at least two color flyers to display and handout - a location piece flyer and a flyer related to the event

Displaying of plants or floral items

Avoid placing flowers in vases on the table - instead opt for either a potted white orchid or a succulent plant. Take photos so we can share on social media
