

Measures we are taking to safely provide essential diagnostic imaging for patients

01.
Designated
facilities for
COVID-19
patients

02.
Prescreening
when scheduling
and at clinics

03.
Social distancing
and limiting
number of
patients in
clinics

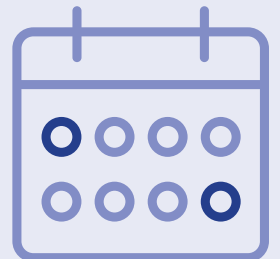

04.
Frequent hand
washing and
enhanced
sanitization
protocols

05.
Wearing
masks and
protective
gear

06.
Deferring
non-essential
screening
